

Oakhill College

Project

Liesse Administration Building Refurbishment and Extension

Location

423-513 Old Northern Road, Castle Hill NSW

Date started

25/11/13

Date completed

27/03/14

Details/key features

- Building works included refurbishment of all new services including mechanical, electrical, fire, hydraulics and security
- Modern new internal fitout with custom joinery and furniture
- New modern facade constructed from Alucobond
- Disabled lift and external ramps to meet BCA requirements
- Overcoming initial finding of Hazardous material

Challenges

- Limited Construction Time Frame
- Logistical Challenges including long lead items such as Disabled lifts and manufacturing steel structures prior to Christmas
- Working around and with a live site in particular the size of the school and the amount of students traversing through the main driveway
