Details/key features

- Services upgrade including Mechanical, Electrical, communications, security and Fire
- The new modern look incorporating twenty first century learning spaces including much flexibility
- New modern open plan includes areas such as Collaborative Booths, Collaborative Café, Create, Explore, Read and Investigate
- BBG and the Oakhill team planned well ahead including ordering long lead items and structural steel well before site mobilisation. Having the ability to pre order allowed a very smooth delivery of an amazing new facility prior to Christmas

Challenges

- Running of services proved to be challenging
- Managing foot and vehicle traffic whilst live site
- Delivery of long lead items including Earth Ball, furniture
